# 14

## Public Participation

**This chapter discusses public participation in development of this SWMP and future public education and outreach strategies.**

### *Public Participation in Development of the SWMP and Future Public Outreach and Education Strategies*

This chapter discusses public participation in the development and review of this Solid Waste Management Plan (SWMP), including both citizen and private sector involvement, public meetings, the consideration of public/private partnerships, and the public outreach and education strategies to execute the future vision of the solid waste management (SWM) system.

Since the City is still in the public participation stage, this chapter has not been finalized.
